Please note: It is always appropriate to speak directly to the dean of an upcoming camp to indicate your interest in holding a staff position. Following up with a letter explaining your interest and qualifications would be greatly appreciated. Many staff positions are totally volunteer. Some staff members receive camperships and a few receive small stipends. All staff receiving camperships and stipends will be required to sign a written contract. Job descriptions for nearly all staff positions are available for review on our website in the on-line [Board Manual](#).
